

*“Here it is, the debut Album from The Paper Crowns and if you are a fan of Americana folk rock, it is a must have. It opens with ‘River Song’, which is heavy with Jerry Garcia riffing for you deadheads, it sets a nice traveling pace and immediately catches you with a hook and never lets you go. It showcases their vocal harmonies and from there, each song on the album moves you through a variety of emotional landscapes as vivid and diverse as the American culture which seems to have inspired it. The 3rd song, ‘Everyday Now’ has some wicked guitar reverb and echoes with feedback that is perfectly set up by the thumping acoustic rhythms Every song takes you someplace new...””*
